Raiffeisen publishes annual reporting for 2022

St.Gallen, 21 April 2023. Today Raiffeisen published the annual report and the magazine covering the financial year of the Raiffeisen Group as well as the annual report of Raiffeisen Switzerland.

In 2022, the Raiffeisen Group generated a very good result with a Group profit of CHF 1.18 billion, thus continuing the success of recent years. A particular factor in the banking group's success is its proximity to its 3.6 million clients and more than 2 million cooperative members.

The Raiffeisen Group's annual report provides detailed information on the balance sheet and income statement for 2022, as well as on the banking group's corporate governance and sustainability performance. Raiffeisen has also published the GRI content index and a disclosure of Climate-related information according to the recommendations of the Task Force on Climate-Related Financial Disclosures (TCFD). The magazine covering the financial year shows the people behind the published figures, and their stories. This latest publication focuses on the topic of sustainable pensions and investments, with its many facets.
